## Ward Member Grant Scheme

The Ward Member Grants is a scheme run by Craven District Council that enables councillors to dish out small grants to local community groups. I think it is an excellent opportunity to help those small groups that make a real difference in Penyghent. The scheme for 2022/23 is now open, and it will be the final opportunity to gain grants from Craven District Council before it is abolished. I strongly encourage you or your local community group to apply for funding! To find out more, and access the application form, visit the CDC website using the following link:

## Craven Refugee Support Network - Zoom event

The Craven Refugee Support Network Zoom call was held on Wednesday 2<sup>nd</sup> November, with numerous people attending. We heard from volunteers in Craven, as well as external speakers, about the benefits of the District of Sanctuary scheme that Craven has decided to join. I learnt a lot from this event, and look forward to working with councillors and officers on refugee support in our area.

Furthermore, it was decided to hold two further meetings to discuss Craven's role as a District of Sanctuary in greater detail. These will be held on **8<sup>th</sup> December** and **4<sup>th</sup> January**.
